Re: Alternate Unit Well - Exceptional Location  
18800 TUSC RA SUC  
Morganza Field  
Pointe Coupee Parish, Louisiana

Dear Commissioner Welsh:

Application is hereby made of behalf of **ENERGY PRODUCTION CORPORATION** for the calling of a public hearing, after ten (10) days legal notice, to consider evidence relative to the issuance of orders concerning the following matters pertaining to the **18,800' Tuscaloosa Sand, Reservoir A**, in the **Morganza Field**, Pointe Coupee Parish, Louisiana, to-wit:

1. To permit the applicant, Energy Production Corporation, to drill, designate and utilize an alternate unit well for the unit designated 18800 TUSC RA SUC at the location shown on the plat attached hereto, or any other location no closer than 100 feet to any unit line, which is in exception to the spacing provisions of the Office of Conservation Order No. 1102-E, effective November 1, 2005;
2. To authorize the operator of 18800 TUSC RA SUC to produce the unit allowable from the unit well, the alternate unit well, or both, at its discretion;

3. To find that the proposed alternate unit well is necessary to economically and efficiently drain reserves from the 18,800' Tuscaloosa Zone, Reservoir A, underlying 18800 RA SUC which cannot be economically and efficiently recovered by any existing well within such unit;
4. To the extent not inconsistent herewith, to continue in effect all pertinent provisions of Office of Conservation Order No. 1102-E, effective November 1, 2005; and
5. To consider such other matters as may be pertinent to this application as shown by the evidence presented at the public hearing.

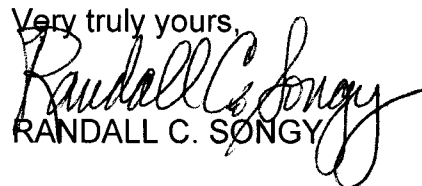

The 18,800' Tuscaloosa Sand, Reservoir A, in the Morganza Field, was previously defined in Office of Conservation Order No. 1102-E, effective November 1, 2005.

Pertinent data relating to the proposed application can be obtained, AT THE COST OF THE REQUESTING PARTY, by contacting Frank Harrison, Jr., 200 Audubon Blvd., Lafayette, LA 70503 (Phone: 337-232-4031).

There is attached hereto and made a part hereof a plat reflecting the location of the unit well and the proposed alternate unit well, and a list of the names and addresses of the interested parties to whom this unitization proposal is being sent. Pursuant to the Revised Rules of Procedure, such list of parties is being furnished ONLY to the Commissioner of Conservation. However, the list of parties will be provided to any party requesting a copy of it. A reasonable effort was made to ascertain the names and addresses of all Interested Owners, Represented Parties and Interested Parties.

Finally, enclosed herein is our check in the amount of \$755.00 made payable to the Office of Conservation in payment of the required hearing application fee.

Very truly yours,
